We are committed to equal opportunities. If you need this information in a larger font, or an alternative format, we will do all we reasonably can to help, please contact us for assistance.

This Access Statement is also available in Easy Read format. Please contact us for a copy or it is available to download from our website.

We welcome calls from customers using Relay UK.

All customer facing staff have undertaken disability awareness training.

We have an Accessibility Officer at the Brighton Centre. For all Box Office enquiries please email or call Kat Jakubcova using the email address and telephone number above.

Kat is also contactable via post at the above address, just mark your letter for her attention.

Opening Times

We can arrange for you to come and visit the venue when there is nothing on if you think it would be helpful to familiarise yourself with the building before you attend an event at the Brighton Centre. Please contact us via your preferred method and we'll be happy to assist you.

You can also watch a 360 Virtual Reality Tour video of the venue here: <https://www.youtube.com/watch?v=NNsPUAJKDPC> we made this with local charity Stay Up Late with the aim of being able to give more information to people who may be anxious about new experiences; the video includes our foyer, bars and auditorium empty before a show and then filling up with people.

Visit the link with a Virtual Reality headset if you have access to one to be fully immersed.

Box Office

The Box Office is open **Monday to Friday 10am-4pm** and until the main act has gone on stage on event days. We are closed on weekends and Bank Holidays unless there is an event on, when we will usually open from 4pm until the main act has gone on stage.

On big on-sale days we aim to open the Box Office at the same time that tickets go on sale online - for example, if a show goes on sale at 9am on a Friday we aim to open then too.

The Box Office is available for over the counter bookings and also to answer the dedicated access telephone line, letters and email enquiries.

Access Line and Email Enquiries

The access telephone line is open to callers from **Monday to Friday 10am-4pm** and until the main act has gone on stage on event days. The line is closed on weekends and Bank Holidays unless there is an event on, when it will usually open from 4pm until the main act has gone on stage. Email enquiries are also answered during these times. If your enquiry is urgent and you're sending us an email please mark it as such and include the word "Access" in the subject title.

When calling the Access Line if there is no answer please leave a voicemail message with a brief outline of your enquiry plus your telephone number, and we will call you back. Out of hours there is an answering machine facility so again, please do leave a message and we will get back to you.

Presales and On-Sales

On on-sale days we aim to open the Access Line for accessible bookings at the same time the show goes on sale (including during presales), therefore if a show goes on sale at 9am on a Friday we aim to be available from then too.

During presales (including artist, album, venue etc.) if you are unable to purchase online due to your requirements we will be happy to assist you if you have signed up for presale access - such as having received a code, password or email - in these cases please call our Access Line and the team will be happy to assist.

During busy presales and on sales we use a call back system to ensure tickets are booked in the order in which customers contacted us, much like the online queuing system with Ticketmaster. We do not use a queue system for the Access Line as bookings often taken around 5 minutes per person and we feel leaving customers on hold for long periods of time isn't ideal. Therefore if there is no answer please leave a voicemail message with a brief outline of your enquiry plus your telephone number, and we will call all customers back in the order the messages are received.

If you do not leave your telephone number in the message we cannot call you back. Please do not continue to call the Access Line once you have left a message and please only leave one message. If you do not leave a voicemail message but continue to ring the Access Line your call will not be answered

until all messages have been called back.

Event Days

On event days Monday to Friday the Box Office will open at 10am and on weekends and Bank Holidays at 4pm, and close once the main act goes on stage.

The approximate running times will be listed on the event's dedicated page on our website and posted out via our social media channels, this will include the door opening times and curfew (when the building will close). You are welcome to call us to find out this information.

As a general rule for shows, the doors usually open at 6:30pm and our curfew is 11pm. Matinee shows vary but the information will be available on our website. Please note that sometimes we do not get the running times until the day of the show and they are always subject to change.

We aim to have this information available as a recorded message on our telephone line too, dial 01273 290131 and select option 2 from the main menu.

Our Assisted Entrance Policy is available on **page 28**.

Access Address Book

We use an Access Address Book at the Brighton Centre as part of our continued efforts to develop the venues accessibility. This system has been designed to help our team better understand our customers' needs and accommodate their requirements to ensure that the booking process is easier for you and more comprehensive for us.

Until we launched the Access Address Book we allocated accessible seating, and free companion tickets, via an honesty system; we did not ask for proof of eligibility, and subsequently the system was open to abuse. To prevent such misuse and to ensure these tickets are available only to customers with a legitimate need, we changed the way we manage these bookings.

Our system means that we can provide a greater number of tickets for our customers and identify areas of strength, or where we might need to improve. For those who require the aid of a free companion it means greater ticket availability and for those who visit us independently it will ensure that we find the best location possible to ensure they enjoy the event.

If you do require assistance when visiting the Brighton Centre, we offer free companion tickets. By registering eligibility for a free ticket, we can issue more tickets, however, it does mean evidence is now required to be eligible for a free companion ticket.

If you'd like further information on our Access Address Book we've included a helpful guide on **pages 39 – 41** of this document, and the Access Requirement form on **pages 42 – 48**. Alternatively, they're available to download from our website here:

Accessible Tickets and Companion Tickets

For all accessible seating requirements please contact our Box Office so we can ensure that you receive guidance on our venue facilities and are able to book the best seats for your requirements. Please refer to the 'Tickets' section under 'Booking Tickets and Accessible Areas' on **page 10** for information on how to book. You may be asked to discuss your requirements with our staff directly when calling, but all information is treated with care and confidentiality.

We offer complimentary tickets for companions who are assisting Deaf and disabled customers in attending an event, this is an evidence based system and information is available under 'Access Address Book' on **page 9**.

Please note that Companion tickets are only available via the venue and online via Ticketmaster and not through any other ticket agents. We may not be able to refund Companion tickets if you do not let us know at the time of booking or if you have not booked via the correct channels.

Companions are expected to help with way-finding, assisting the customer into and out of the venue and auditorium, buying and carrying food and drink, and undertaking all access requirements of the person they are attending with. They are not expected to leave the customer alone for long periods of time, be unable to meet the customer's access requirements, or be inebriated at the event.

Accessible Areas

If your access needs have changed since booking your tickets, please contact us and we'll do everything we can to help you. This will be subject to ticket availability.

There are up to 12 spaces on the South Balcony's accessible platforms which are raised. These areas are usually available on both seated and standing shows. The view from the platform is front facing and the area is stewarded. The area is accessible via both lift and stairs. The closest accessible toilet is **25 metres**.

Accessible platform on the South Balcony showing view of the stage:

There are 8 spaces for wheelchair users available on the raised accessible platform for standing shows located in the South West corner of the standing area on the main floor of the auditorium. The platform is raised, front facing and is stewarded. For shows with stalls and standing area the platform is located on the West Wall of the auditorium and has a side facing view. It is accessed via both lift and stairs. The closest accessible toilet is **30 metres**.

Accessible platform available at standing shows:

Tickets for the South Balcony accessible areas can be booked via the Brighton Centre Box Office and online via Ticketmaster. For other areas please contact the Brighton Centre Box Office. Please refer to the 'Tickets' section under 'Booking Tickets and Accessible Areas' on **page 10** for information on how to book.

For customers who don't require seats on the accessible platforms but do have limited mobility we advise booking seats at the back of the South Balcony for standing shows wherever possible. Alternatively, on seated performances, the South or Flat Stalls have direct lift access however, please note that all areas, apart from the Flat Stalls, do have some steps to access them and are tiered seating.

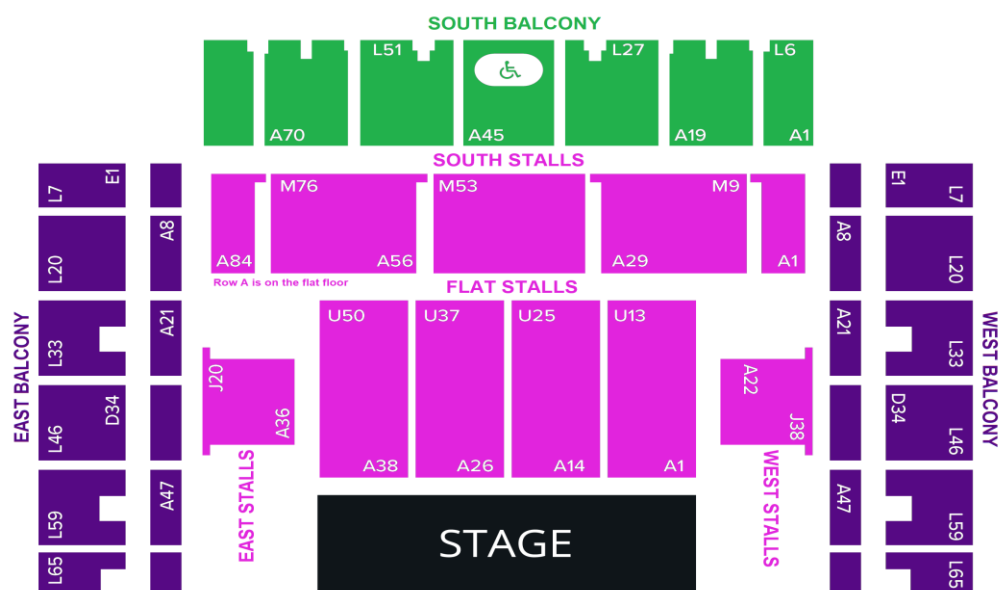

If you have limited mobility we recommend that you do not book seats in the East and West Balconies or the lower rows (i.e. A – G) of the South Balcony as these areas are more difficult to access.

The Brighton Centre is a flexible venue and we're here to help; we feel any part of our auditorium can be an accessible area if it works for you and your needs. We understand that everyone's access-related requirements are different be it needing seats closer to the front, a quieter area, raised seating or front facing, so if you are unsure of what to book or for further advice and information please contact us; we'll be happy to advise you on the different options available at the venue and book you into the best seats for you.

Seating plans

Please note that the following seating plans are given as a guide only and are not guaranteed for all events. Our Box Office staff will be able to help and explain the seating plan in use for any specific events.

Access to Performance

The Brighton Centre is committed to offering access to performance services such as British Sign Language interpreters, Captioning and Audio Description and we are working very hard with concert promoters to provide these services if required.

We aim to provide access-upon-request to our customers who require an accessible provision to be put in place for them to be able to attend a performance, but this will be subject to the request being made within a reasonable timeframe (minimum 6 weeks before the event date) and approval from the event promoter. Please contact us if you require this service and we'll do all we reasonably can to help.

We have the Sennheiser Mobile connect hearing loop connected in the venue, for more information see **page 35**.

Getting Here and Parking

The Brighton Centre is in the heart of the city on Brighton seafront. We're easily accessible via public transport and are a short distance from Brighton Mainline Railway Station, Pool Valley Coach Station, city centre bus stops and taxi ranks; we also have our own cycle racks located at the front and rear of the venue. Our full address is Brighton Centre, Kings Road, Brighton, BN1 2GR.

Parking

If you are arriving by car, the nearest public car parks are Churchill Square Car Park 1 which gives very easy flat access to the rear doors of the venue, and to the Syndicate Wing, and Regency Square Car Park, which gives flat, level access along the seafront to the main doors at the front of the building however, there is a steep slope when exiting the car park. Please note that the car parks close to the venue can get very busy when shows finish and there may be a queue to exit.

Churchill Square Car Park 1, BN1 2RU

Full information on the car park, including parking charges, is available on [the Churchill Square website](#).

The entrance to the car park is via West Street. We advise customers to access this from the seafront road (Kings Road) as there is no right turn available if you are coming down West Street from the top of the road.

The height restriction of the car park is **2.13** metres.

Lighting in the car park is good.

There are accessible parking bays on all levels of the car park, but customers are advised to park on the lowest level if possible (Parking Level P1). If you park on a different level you will need to use the accessible lift to take you down to Parking Level P1 in order to exit the car park.

The distance from the car park exit to the venue is approx. **30 metres**. There is level access across the road with dropped kerbs via the pedestrian crossing next to the car park exit. Assistance is available via a call button if you need help when paying.

Regency Square Car Park, BN1 2FG

Full information on the car park, including a video and parking charges, is available from [the parking pages on the council's website](#).

This car park is a good option if you wish to access the Box Office and the main entrance to the venue, which are both on Kings Road, on the seafront.

The entrance to the car park is via Kings Road, opposite the old West Pier. The height restriction of the car park is **2.13 metres**.

This is an underground car park. Customers are advised to park on the lowest level for ease of exit. Please note there is no lift in the car park and a steep slope when exiting the car park.

The distance from the car park to the venue is approx. **250 metres**. There is a short incline on leaving the car park but then the journey to the venue is flat and level with dropped kerbs at each junction along the seafront to the venue.

Assistance is available via a call button if you need help when paying.

Lighting in the car park is good.

Blue Badge parking and drop offs

There are designated Blue Badge parking bays close to the venue in West Street and Cannon Place but please note that those in Cannon Place are on a hill going down to the seafront. Blue Badge holders can park free of charge and without any time limit in these bays.

There is a lay-by in front of the venue which has double yellow lines. This is ideal as a drop-off point and there is a dropped kerb available for easy access to the pavement at the far west side of the lay-by, where the Grand Hotel Crescent meets Kings Road.

Lay-by in front of the Brighton Centre:

Lay-by showing dropped kerb in front of the Brighton Centre:

Blue Badge holders can also park in this lay-by for up to **3 hours** for most shows, if you set the clock on your badge and ensure this is clearly displayed. Please check with the venue beforehand as occasionally parking in this area is suspended, and some shows will be longer than 3 hours. Please also note that this area can become very congested, especially at the end of an event when everyone is leaving at the same time.

Blue Badge holders can also park for up to **3 hours** on any other single or double yellow line near the venue as per usual Blue Badge regulations, providing you are not on a corner or causing an obstruction, and as long as you set the arrival time on the clock on your Blue Badge.

Taxis

If you need to book an accessible taxi we recommend the following taxi firms, all of which have accessible taxis in their fleets:

Brighton & Hove City Cabs: Tel 01273 205205 www.205205.com

Brighton and Hove Radio Cabs: Tel 01273 204060 www.brightontaxis.com

There are free taxi-phones that can be used to call a taxi inside the venue.

Buses

If you are coming to the venue by local bus, the nearest bus stops are outside Churchill Square shopping centre in Western Road. This is approx. **700 metres** from the rear entrance to the venue. Please note that access is via West Street which is on a hill. All city buses operated by Brighton & Hove Buses are accessible for wheelchair users. They also operate a "yellow card" scheme where you can alert the bus driver to any specific needs (e.g. please tell me when I get to my stop/please wait for me to sit down before you set off). More information is available on the [Brighton & Hove Buses website](#).

Train

If you are arriving by train you need to exit the station via the main exit at the front leading to Queens Road. From here there is step free access downhill to the seafront and the Brighton Centre. This is approx. **950 metres** from the rear entrance to the venue. There is also a taxi rank at the rear of the station. Please note that your return journey to the train station will be uphill.

Brighton Centre welcomes assistance dogs. They can either accompany you to your seat, or venue staff will willingly look after your dog while you enjoy the event. We can provide water bowls for your dog if required. There is a designated spending area on the Ground Floor near the cloakroom through a set of fire doors into an outside area that is not able to be accessed by the public, please ask the Information Desk Staff to show you where the area is. Alternatively, waste bags can be disposed of in bins outside the front entrance on the seafront and at the back on Russell Road.

Induction Loops

We have the Sennheiser Mobile Connect hearing loop system connected in the venue. It is an assistive and personal listening solution that streams live audio content via WiFi to any iOS or Android phone in the room.

To use the system, simply download the Sennheiser app via Google Play or the App store app (it is good to do this in advance of the visit) or scan a QR code on site. Once customers have the app on their device, they are ready to go, no passwords or login are required. At the venue, connect to the Brighton Centre wi-fi network, enable Bluetooth and link to the hearing aid. Once on the app, tap 'Auditorium 1' and press play. The app has adjustable volume.

There are induction loops available in the Box Office, on our Information Desk, at wristband exchange points and at our Security Desk. Hearing aids need to be switched to the T position to receive the signal.

Sound Levels

We have little influence in the running of live music events when it comes to sound levels. Artists generally travel with their own sound and lighting systems and their engineers control them throughout the event. We do monitor both sound quality and decibel output and we will advise production crews when necessary, although we will not be able to turn the volume down unless it is breaching legal limits. Ear plugs are available on request from a member of staff.

Strobe Lighting

Please also be aware that some shows will contain strobe lighting or smoke effects. Signage will be available in the venue to advise customers of this. Please contact us before booking tickets if this is an issue for you, and we will contact the promoter on your behalf to check.

Hidden Disabilities

The Brighton Centre understands that not all disabilities are visible and therefore, we recognise the Sunflower Lanyard scheme, and our staff are briefed to understand and support where necessary if a customer is wearing one. If you would like to contact us in advance to discuss your requirements or for additional information please do get in touch and we'll be happy to assist you.

Quieter Spaces & Respite Space

The Brighton Centre is a compact venue and therefore does get very busy however, some areas are quieter than others on show nights.

Entering via the back of the venue on Russell Road is the quietest option and usually has little to no queues.

Of the main bars the West Bar is generally more quiet and seating is available. The venue medical room is also located off the West Bar and can be used as a quiet space.

If you are feeling uncomfortable or would like to be shown to a quiet space, please ask a member of stewarding staff or security who will be happy to assist you. We have a Respite Space available for anyone who needs to take some time away from the performance. It is located on the ground floor next to the cloakroom and close to facilities including toilets, the information desk and a water fountain. The room has low lighting, comfortable furniture and blankets available.

Customers with Medical Requirements

We welcome attendees who need to bring medicines, food or drink to manage a medical condition. You are welcome to contact us in advance of your visit for advice, prior written acknowledgement from the venue of your requirement, or should you have any concerns or questions; you are also welcome to bring any supporting documents to the venue with you should you wish.

Our door staff are trained in our venue policy regarding understanding our policy for customers with medical requirements and understand that people may need to supply their own provisions to self-manage their condition. If a member of door staff has any questions they will call a Duty Manager to discuss the matter in private.

Medical Assistance

Trained First Aiders are available for all events and can be summoned by stewards. There is also a First Aid Room available at all events, which can also be used as a quiet space if the Respite Space is not appropriate for the situation.

Emergencies

In the event of an emergency there will be both an audible alarm in all areas, as well as flashing lights in the main auditorium and strobe lights in the accessible toilets. Stewards will ensure the safe exit of all people.

There are Evacuation Chairs available. These have a safe working load of **136kgs**, and staff are trained to use them.

All areas of the venue have emergency evacuation plans including the accessible areas. Our staff are fully trained in the evacuation of the venue and each accessible area has a specially trained member of staff who can evacuate people from the accessible areas.

If you would like further information on the plan for the area, please do not hesitate to contact us in advance or speak to a member of our stewarding staff when you arrive at the venue.

Accountability

We strive to be a welcoming and safe space for all who engage with us, whether a member of staff, client or customer. We have a responsibility to be a space that reflects our diverse community and everyone who wants to engage with us. This will be reflected in the way we recruit, engage and train our staff; in onsite facilities and services as well as marketing and communication and local engagement.

We do not tolerate any form of harassment or unfair behaviour towards or between those working and those visiting and we are dedicated to providing a harassment-free experience for everyone.

We ask that you help us to remain accountable and to be accountable yourself by taking time to engage including speaking up if anything, or anyone makes you feel

uncomfortable. By celebrating our differences and treating everyone at the venue and our neighbours and community when you leave the venue. By letting us know if you have any specific needs and give us the information we need to best support you. By telling us if you are happy or unhappy with our services and by participating when we seek feedback.

Engaging with us helps us learn and improve

Feedback

We welcome feedback on how we can improve the experience for all visitors. Please contact us to let us know what we can do to improve both this Access Statement and your experience of the venue in general.

Additional Information

Appendix I – What is the ‘Access Address Book’?

Introduction

As part of our continued efforts to develop the venues accessibility we use an ‘Access Address Book’; a document for the exclusive use of our Box Office team to assist with accommodating specific access requirements and the requests of our Deaf and disabled customers.

This system has been designed to help our team better understand our customer’s needs and accommodate their requirements to ensure that the booking process is easier for you and more comprehensive for us.

We believe that by maintaining a list of our customers and their requirements we can better understand the barriers they may encounter when visiting the Brighton Centre and limit any potential impact. In short, this system helps us provide the best service possible by tailoring our events to your needs.

What is the ‘Access Address Book’?

The ‘Access Address Book’ is essentially a list which will detail customer’s essential contact information in addition to any details which may help our Box Office team when booking for an event at the Brighton Centre. It will detail your specific requirements in addition to any personal preferences you may have. For example, if you have visited before, you might favour a particular area of the auditorium and the list will notify us of this so when you book, we’ll know.

Why do you need this information?

Until we launched the Access Address Book we allocated accessible seating and free companion tickets via an honesty system, we did not ask for proof of eligibility, and subsequently the system was open to abuse.

In order to prevent misuse and to ensure these tickets are available only to customers with a legitimate need, we decided to change the way we manage these bookings.

The Brighton Centre works closely with 'Attitude is Everything' to improve the service we provide to our Deaf and disabled customers and as part of our commitment we want to ensure that our resources are to the highest standard and available to as many people as possible.

The implementation of this system means that we are now able to provide a greater number of tickets for our customers and identify areas of strength, and where we might need to improve.

For those who require the aid of a companion it means greater ticket availability and for those who visit us independently it will ensure that we find the best location possible to ensure they enjoy the event.

I need to bring a companion. How does that work?

Some people require assistance when visiting the Brighton Centre and we do offer free Personal Assistant tickets in such cases. By registering eligibility for a free ticket, we can issue more tickets than our previous system where the amount was capped per event.

To issue free Companion tickets we need proof of eligibility by one of the means listed below:

- Front page of DLA / PIP letter (no specific rate required)
- Front page of Attendance Allowance letter (no specific rate required)
- Evidence that registered severely sight impaired (blind)
- Recognised Assistance Dog ID card
- Letter from 24hr Care Home (please contact the Box Office)
- Recognised Access Card with a +1 symbol (such as CredAbility)

(Please feel free to blackout any information that relates to amount of benefit paid or health conditions etc. that might be on any documents submitted)

If you do not have any of the above evidence but wish to apply for a free ticket for a Companion, please complete the Access Requirement Form, Section 3.2. You are welcome to post or email copies of any additional evidence that supports your application if you have any or contact us to discuss your application. Applications are assessed on a case-by-case basis.
